Pirongia School - Together We Climb

The Mountaineers Club is a transition-to-school programme that aims to be informative, educational and an enjoyable experience for you and your child. The programme endeavours to create a sense of belonging and well-being for all participants and families.

The children will be given an opportunity to interact with our New Entrant School children as well as teachers and other staff.

Children must be intending to enrol at Pirongia School.

The benefits of the Mountaineers Programme at our school are:

- A smooth transition to school for all students
- Familiarity and security with an within the surroundings
- Create a sense of belonging for both children and families
- Create a sense of themselves as a learner in a school environment
- Create a relationship with the teacher
- Become orientated with the layout of the school and staff
- Become familiar with other new entrant children
- Have an inclusive programme that caters to differing abilities
- Early detection of children with learning difficulties or talents

Pirongia School - Together We Climb

Session Times

The Mountaineers Club operates on Thursday afternoons from 1.30 pm - 2.55 pm

Who can attend?

4 year olds

How many visits?

Six visits just prior to their 5th birthday

Clothing

Please dress your child in play clothes. Clothing needs to be comfortable, washable and easy to manage for toilet usage. Make sure that all clothes are labelled.

What to Bring to the Mountaineers Club

- A brimmed hat (this is school policy)
- A change of clothes
- A good sized school bag that will fit a book bag (this helps the children feel part of the school routines)

Delivering and Collecting Children

Lunchtime starts at 12.40 pm. Please bring your child any time after 1.00 pm. They will need supervising in the playground until they are delivered into the class. For safety reasons a parent or caregiver must sign the in/out sheet in the office and they must bring and collect their child from the New Entrant room.

Please let staff know if any other person is picking up your child. Children will not be permitted to leave the school grounds with any person who does not have parent permission and who is unknown to staff.

Parents are most welcome to stay for the first couple of sessions while children settle but to enable a successful transition we ask that you leave your child to develop independence with the school setting.
